5-Financial and activity reports

5.1 Parish Council-report from the clerk

The clerk thanked the Chairman and other councillors for their support during the year.

The clerk gave out copies of a 3-year financial summary to the public and provided some explanation. No issues had been raised by the internal or external audits last year. The accounts to 31st March 2023 had been examined by the internal auditor and found to be correct with no matters of concern had been raised by her. He stated that he believed the Council to be in a sound financial position, though potentially challenging times lay ahead in the current inflationary climate, financial cutbacks and the potential demands of the ageing playground equipment.

He supported the Chairman's view that the council made a significant contribution to village life. The Council had discharged its responsibilities in other areas such as planning.

5.2 Newton Arlosh Brownies

The clerk read out a report that had been supplied prior to the meeting.

Post Covid the Brownies are now meeting twice a month, and the schedule seems to be working well. The financial position was outlined and fundraising activities are being discussed and planned. Quizzes and a coffee morning have been held.

A couple of field trips are planned for the near future. A sleepover is planned. A number of members have been acquiring badges or are actively working towards obtaining them.

The Council was thanked for its past support.

5.3 Newton Arlosh Community Committee

Mrs Sarah Whitaker reported on behalf of the Committee.

She thanked the Council for the invitation to the meeting. Newton Arlosh Community Committee has 'two hats':

One 'hat' put events on throughout the year such as coffee mornings.

Since the last AGM a number of events have been held.

In December there was a Free children's Christmas party staged at the pub.

There was a pie and peas supper at a discounted rate. Santa arrived, & there were traditional party games. She pointed out that Newton Arlosh Community Committee isn't run as a Business, it is not out to make money. The focus is on putting events on for everyone and covering costs only.

The second 'hat' is The Cinema Club

Thanks were given to the Council again for the backing of this new venture. There have been four film nights so far and are held once a month, on the first Friday at 7pm. Films are shown in the Parish Hall. Members are allowed to pick a date and chose from a selection of films via Whats App & Facebook. A banner has been purchased to advertise and encourage

other new members which was displayed by the Hall in addition to posters on notice boards. Refreshments are provided.

An annual licence was purchased and there are equipment hire costs.

There are twenty-five members that attend which covers the costs.

Members are not just from the village, but also Abbeytown and Kirkbride.

5.4 Newton Arlosh Parish Hall Committee

Cllr Graham, the new Chairman, and Mr Bell provided accounts and outlined the financial position of the Hall. There were three new members on the Committee and Mr Bell advised that there had been two good fundraising bingo events. A Coronation event had been held and this had been well supported. Previous members of the Committee were thanked for their service.

5.5 Newton Arlosh Parochial Church Council

Mr Bell provided accounts and explained the current situation concerning the Church finances and thanked the Council for its grant award which enabled the Churchyard to be kept in good condition. A surplus of six hundred pounds had been made largely due to donations. He commented that electricity costs remained a problem.

Cllr Hodgson thanked all the contributors for their reports and contribution to Parish life.

6-OPEN FORUM

A chance to bring to the Parish Council matters of concern within the Parish.

Cllr Welsh assured parishioners that the Council was trying to fulfil the items on the action plan. The possibility of a website was raised and the clerk pointed out that one already exists. The clerk was requested to include the website for discussion at the July Parish Council meeting.

There being no further business the Chairman closed the meeting at 8.15p.m.

At which point all members of the public left.
